Upton in Bloom, July 2010

On 12th July, the Heart of England in Bloom judges Robin Russell and Angela Pendleton, were taken on a tour of Upton upon Severn. They visited the Primary School, Berrow Court, the Cemetery and the Recycling Centre. The tour finished on the Old Churchyard where a lot of people had gathered to welcome them. Thanks to the efforts of many volunteers and the local authorities, the Town looked clean and tidy, and the floral displays at their best.

The Committee would like to thank everyone who helped prepare for judging, all those who have helped throughout the year, and local hostellers for providing a superb buffet for the judges, which was held in the Tudor House Museum.

The majority of the committee have been dedicated to Upton in Bloom for eight years and have failed to attract new recruits to help share the burden. Despite the help of our "Friends", we are all feeling that the committee, as it stands, is unable to continue to maintain the high standard that we have always achieved without the injection of fresh and willing helpers.

Several of the committee will be resigning at the AGM in October and without new members it will not be possible for the remaining stalwarts to continue.

If you feel that you can fill the gap please contact the Chairman Jackie Surtees.

Again, a big and heartfelt thank you to everyone who has helped us over the years.
