

Mayor's Diary

Below are listed the principle activities that I undertook during the last month. I seem to be developing a busier routine again after a quiet September – October period, and am now back to juggling business commitments with Mayoral/Councillor activities.

October 19th – Meeting with our Clerk and officers of MHDC to discuss riverfront issues. That evening chaired the monthly Town Council meeting.

October 20th – Follow up on correspondence with the Clerk, Gill, in respect of matters arising from the previous night's meeting.

November 4th – Had the pleasure to attend Upton Youth Band's AGM and present some very well deserved awards to it's members.

November 11th – Attended the Armistice Day wreath laying ceremony outside The Memorial Hall.

November 14th – Attended the Remembrance Day service and wreath laying ceremony, accompanied by the Deputy Mayor, and several other Town Councillors. It was most encouraging to see so many people across many generations attending this event.

November 15th – Administrative update with the Clerk. Visited the allotment site to inspect the damage caused to crops by vandals during the weekend.

November 16th – Chaired the monthly Town Council meeting.

Mark Kerrigan.
