23rd July 2010

Headteacher Awards: Well done to Ross Wiseman for achieving gold for all his efforts in class this week. Luke Hilton and Joshua Salter also achieved gold this week for their support with the production.

Year 6: We say goodbye to Year 6 today and wish them every success at Hanley Castle High School. They are well prepared and confident to meet the challenges they will face. Thank you for the entertainment you presented to us this morning.

Assembly: Thank you to Year 1 for your assembly all about fantasy tales last week.

Thank you: Thank you to all the staff and governors who make up Upton upon Severn Primary School. Your support and dedication throughout the year is much appreciated by all.

Building: The builders will be on site during the summer break, setting up their compound and taking delivery of materials. When we return in September they will have a secure working area, leaving us a safe playground and some field space. Access to the school site will only be through the main gates on School Lane and the gate by Class 2 on Prices Lane.

Think Tank: On Thursday 16th September, next term, Key Stage 2 will be visiting the Think Tank in Birmingham's Science Museum to take part in a variety of exciting workshops. This great opportunity is part of the British Science Festival. A letter will come home early in September.

On behalf of the staff we would like to wish you all a safe and happy summer holiday, see you back on the 2nd September at 8.45.

Diary Dates

02.09.10	Children back to school
09.09.10	New Reception children start
16.09.10	KS2 visit to the Think Tank in Birmingham
