#### **The Friends are now starting their next main fundraising challenge of**

**[www.classroom](http://www.classroom)**

This is a major expansion of the school computer and IT equipment with the objectives being :

To extend the school computer network to all classrooms, to fit ceiling mounted projectors in all classrooms and to provide an additional laptop PC.

The purpose of this project is to : enhance teaching and learning by enabling full interaction with the latest ICT software in each classroom, provide Internet access in every classroom, to provide the facility to use DVD and or video resources in every classroom and finally to enable improved communications through the use of email through out the school.

The Friends are pleased to accept this challenge to raise £12,000 for this school project and thank you for your continued support.
