

Looking at Upton

A Community Project hosted by the Upton-upon-Severn Civic Society.

Sunday, 12 March 2006

As you will gather from the logos at the foot of this note we have been successful in our bid for funding for the "Looking at Upton" project.

The official starting date for the project is April 1st 2006 and its completion date is 30th April 2007. The project will be launched at the AGM of the Civic Society on Thursday, May 4th at 7.00p.m. in the Memorial Hall.

The timings are tight! We certainly cannot wait until April 1st to get things underway.

I should like to have two more information, consultation, planning (& volunteering!) meetings. I hope that you will be able to attend one of them:

Either 2.00 p.m. on Friday, 17th March or 3.00pm on Monday, 20th March in the Committee Room of the Memorial Hall.

I look forward to seeing you. Everyone is welcome.

Simon Wilkinson
